

Iris

**(215sq.ft. main floor with 69sq.ft. loft, 26' long)
Trailer mounted or foundation**

Mobile living with a flair. This Saltbox layout with fixed windows in the loft brings in lots of natural light that flows into the kitchen area below. Modern Saltbox Styling creates the opportunity for customers to add their own unique look. This home design can be built on a trailer for mobility to use on recreation property, camp site, backyard space, or build on a traditional foundation.
