

## Lily

**(204sq.ft. main floor with 74sq.ft. loft)  
Trailer mounted or foundation**

**Modern living with a flair.** This great layout with large windows in front brings in lots of natural light to the loft area. Modern styling outside creates the opportunity for customers to add their own unique touches. A unique benefit to this home is it can be built on a trailer for mobility. Used on recreational property, camp site or in a backyard space. It can also be built on a traditional foundation. A major benefit is this home is can be built on a trailer for mobility, used on recreational property, camp site or in a backyard space, or built on a traditional foundation.
